**** It is helpful to bring all the above documents (or as many as you have) to the DMV. It's better to have too many than not enough. ****

Optional: If you have an unexpired driver's license from your country, bring it to DMV. Showing your license when you apply to take the Learner's Permit test may enable you to schedule the road test immediately upon passing, instead of waiting 60 days. Must be original - no photocopies allowed. If your license or other official document used for proof is printed in a language other than French, German, or Spanish, you will also need to provide an English translation of the license.
